Re: Tutor Time Daycare Center
Mineola/Nassau County

Dear Assemblywoman O'Connell:

Thank you for your March 7, 2002 letter to Commissioner Novello regarding concerns related to the indoor air quality issues at the Tutor Time Daycare Center in Mineola, Nassau County. Enclosed is a copy of my response to Senator Kemp Hannon's March 1, 2002 letter, which you referenced in your correspondence.

The US EPA is compiling a list of all individuals with an interest in the Tutor Time Daycare Center. This list will include current and past clients, teachers and employees of Tutor Time and will be available to all agencies so that they may communicate appropriate information to these individuals. We will keep you apprised of activities related to the Tutor Time Daycare Center and Jackson Steel facilities as they arise.

If you have additional questions regarding Tutor Time and the Jackson Steel site, please contact me at (518) 402-7500 or have your staff contact Mr. Gary Litwin, Director of our Bureau of Environmental Exposure Investigation at (518) 402-7850.

Sincerely,

Ronald Tramontano
Director
Center for Environmental Health
